Re: Generic Cost Pricing Arbitration (U-3021-96-448 et al. - consolidated)

Dear Ms. Farmer:

This letter shall confirm our conversations today regarding the above referenced matter. U S WEST and AT&T were required to submit further explanatory materials relative to the joint price-list by Wednesday, August 13, 1997. U S WEST and AT&T have requested an extension to file this information on Monday, August 18, 1997. They may even need until Wednesday, August 20, 1997, depending on the availability of this information.

You requested that I contact the other parties involved and obtain their consent to the requested extension. I have been able to reach AT&T, MCI, Sprint, Cox, TCG, GST, and ACSI, who have agreed. I have been unable to reach MFS and Brooks, but have left messages for their counsel.

Based on the foregoing, it is my understanding that you have agreed to grant the requested extension. U S WEST and AT&T will file the information with the Commission on August 18, 1997. Thank you for your cooperation in this matter.

Sincerely,

Timothy Berg
